

# **Parking Attendant**

## **Job brief**

We are looking for Parking Attendants to join our team and provide excellent customer service to our guests by selling parking and directing traffic as needed.

Attendant responsibilities include greeting guests, processing payments, and directing traffic flow.

Attendants will work alone or with a small team to help process parking payments, answer general questions about the active event, and direct guests to appropriate parking areas.

## **Responsibilities**

- Direct traffic in the parking area as needed, assist guests in entering and leaving the parking lot. Assist in maintaining the desired flow of traffic and following traffic safety laws.
- Answer guests' questions regarding grounds events, parking, and other available services
- Collect and accurately process payments for guests.
- Handling cash and being comfortable with cash transactions.
- Occasional other duties as assigned by supervising staff.

## **Requirements and skills**

- Proven work experience in money handling role
- Must always present a well-groomed appearance and upkeep of uniform.
- Excellent customer service skills.
