Jimmy Settle, Steve Goedert - Auctioneers

REGULATIONS

1. All animals sold will be weighed on Certified Stock Scales by licensed public weigh master on Monday & Tuesday, August 3 & 4, 2026. Beef, goats, lambs and swine will be sold based on the live weight of the animal. All small stock animals (turkey, rabbit and meat pens) will be sold by the lot.
2. Animals will be sold based on their placement by the judges within the various grades, alternating between 4-H, FFA, and Grange.
3. If the purchaser desires not to keep the animal and wishes to sell the equity at market price, the Auction Committee will resell the animal for him. Please mark your sales slip "resale."
4. There will be no resale of market hogs.
5. Payment is to be made by check, cash, Visa, MasterCard, American Express or Discover at the Auction Office. A 3% fee is applied to credit card purchases.

Meet the Foundation Hog Exhibitor...

At 13 years old, Scarlett Malone is the youngest of three siblings from Ojai, California. She began showing livestock at age nine, following in her older siblings' footsteps. Initially hesitant and unsure of what to expect, her first Ventura County Fair taught her the true meaning of livestock in her community and that the friendships, lessons, and bonds formed far outweigh the difficult goodbyes.

Today, Scarlett competes at jackpot pig shows throughout the year. This year, her partner is Dakota, a beloved pig from Oklahoma who loves the show ring, belly rubs, and baths. Together, they have built a special bond while creating unforgettable memories.

Scarlett is honored to represent the Ventura County Fair Foundation and hopes Dakota's earnings will bring the same joy to future exhibitors and families in need that Dakota has brought to her. Together, they embody the compassion, community, and connection that make the fair so meaningful.

Congratulations!
